We invite you to Step Up and to support these families and the work of the DSG by participating in the 1st Annual Central Missouri Step Up Walk.

ABOUT DOWN SYNDROME

One in every 700 births is a child with Down syndrome. Each year 5,000 babies are born with Down syndrome and there are over 400,000 individuals living with the condition in the United States. It is one of the leading clinical causes of intellectual disabilities in the world. Early intervention, high quality educational programs, a stimulating home environment and good medical care enable people with Down syndrome to become active and contributing members of their families and communities.

WHAT IS A TEAM AND HOW DO I FORM ONE?

It's simple! A group of people (generally three or more) who want to join in the fun and support DSG can form a team. Organize your friends, family, coworkers and neighbors. Choose a team name and captain and register your team name at my.kcdsg.org/Centralmostep2018. At this website you can build our own fundraising web page and email the link to friends and family. When they follow the link, they can donate, track your progress and learn more.

Teams will have their team name printed across the back of their

t-shirts. Register your team by September 5th at 12 p.m. Team t-shirts can be picked up on Saturday, September 29th from 10 a.m. – 12 p.m. To be eligible for fundraising incentives, submit your donations by September 29th by 12 p.m. We will announce the winning walk teams on the DSG website.

HOW DO I COLLECT DONATIONS?

Build your own fundraising web page through the Step Up for Down Syndrome Walk site and email the link to friends and family. It's an easy and fun way to get involved! Or use the donation collection form to collect donations from classmates, neighbors, family, friends, companies and co-workers. Ask donors if their employer offers a matching gift program to double the donation!
